

Richland Baptist Association Newsletter

October 2022

From Your Director of Missions (D.O.M.):

Many of our churches are once again hosting Homecoming Services again! Hallelujah! Praise God for He is GOOD! Also, the new church year has begun. It is exciting to start a new church year as many will serve in various church positions of leadership that have never served before. Let us pray for each other that this will be the best year of service to our Lord and a year of Spiritual and numerical growth to His church.

I want to thank Brother Bernard Duchesne and the church family of Dunn Baptist Church for their wonderful hospitality, the exceptionally delicious meal, the fellowship and the worship that followed. Thank you Brother Raymond for the wonderful worship in music and Brother Bernard for a powerful sermon. It was a great night for our Lord and our association.

My sincere prayer is that we serve together in many areas of ministry and evangelism as the Body of Christ this coming year and that we impact our mission field of Richland Parish for our Lord Jesus. Please let us unite together as we can accomplish more for our Lord's Kingdom together than as individuals. Remember that we are an association of churches. We are not in competition with each other but share a common goal of bringing the lost to Christ and being Christ to the world around us.

During the month of October on Sunday evenings at 5:30 PM, New Light Baptist Church will host Revival Services. A different speaker will preach each Sunday Evening. I want to encourage those of you that are in the area to join them during this time of revival.

Mangham Baptist Church will have a night of worship and fellowship to refresh and challenge men. Josh Reavis will be the guest speaker. I want to encourage all of you men to plan to attend. The service is October 16, 2022 at 7:00 PM.

Brothers and Sisters, you are my heartbeat in service to my Master. Thank you for allowing me to be your servant.

Johnny
